

Jack Warren

A strong voice for Taunton West

Jack Warren, 23, was educated in West Taunton, at Bishop Henderson School and Queen's College, going from there to Oxford University where he graduated in 2002.

After graduation, Jack returned to Taunton to work on a project to provide online access to Somerset's heritage through the county's collection of historical documents. He presently works as an accountant with a locally based firm.

Jack Warren has long been committed to fighting for the interests of Taunton and its residents, and represented the Taunton Constituency at the 1998 Labour Party Conference. He is a regular worker for the Taunton West Labour Party Branch based at Bishops Hull School/Community Room.

Jack says, "If elected, I will work to deliver affordable housing in Taunton for the young and those on low incomes. I am also committed to rationalising speed limits across Somerset, and to providing free bus travel for pensioners and teenagers aged 13 to 16.

"As a Labour County Councillor I will provide a strong voice for the residents of Taunton West. I believe that it is essential that traffic congestion is reduced in the shopping centre of Taunton, and I have been giving my support to the Inner Relief Road. This will make it better for us walking and shopping in the Town Centre and reduce the traffic in Corporation Street and the Parade.

"I will also be working to ensure that the existing road works at Silk Mills roundabout will make it easier for residents of Galmington and Bishops Hull and reduce congestion and waiting time at the roundabout.

"I will do my best to increase funding for social services and education. I support the Labour Government's ongoing funding for the alterations and improvements to Castle School and SCAT."

Vote Jack Warren for Taunton West

He will work to deliver the following for you and the community

A team of **10 extra Community Support Officers** able to be deployed across the County to help deal with Anti-Social Behaviour hot spots

A County Council task group to help **protect jobs** across the county, whenever they are at risk

A pot of money, from the council tax on second homes, to help build **affordable housing**

The **re-generation** of the centres of Market Towns, such as Wellington, Shepton Mallet and Burnham on Sea

Ensuring **pre-school places** for all 3 year-olds

New **Children's Centres** across the county to deliver early years education and better childcare for working parents

Sorting out the existing mess on **speed limits** across the county by taking a **rationalised approach** to each road and area

20mph speed limits outside all schools, controlled by visual signage and not operating 24 hours a day and seven days a week

An improved **road maintenance** programme that will help to bring our roads towards the national standards for roads and move them away from the sorry state they are in now

The development of **Luncheon Clubs** and other meaningful activities for senior residents.

Free bus travel for pensioners and teenagers between 13 and 16

Improvements to all the **public transport** services across Somerset

Thursday 5th May Vote Labour
